

Daily Blessings
from the
Divine Heart

From the teachings of the Seraphim,
“Angels of the Divine Heart”

These cards are a breath of Light to carry with you throughout your day.

You are not asking or looking for answers.

You are invited to receive, listen, and to return to Love.

Each card brings you closer to your beautiful Divine Heart.

They are designed to awaken your purpose, deepen your peace, and remind you that you are already embraced in Grace.

May each message bring you nearer to the Divine Heart.

The Purpose of These Daily Blessings from the Divine Heart

This card deck was designed as a sacred companion on your journey of awakening. Each card is a message of Light — a whisper from the Seraphim to remind you that you are a spark of the Divine and to guide you into deeper peace, love, and purpose.

There are two types of cards in this deck:

- Seraphim Mantras: Sacred words to support you in every moment and raise your vibration to Love.
- Seraphim Wisdom: Messages of Love and Awakening from the Seraphim, offering wisdom, comfort, and insight.

These cards are not meant to predict or analyse, but to reconnect you with the wisdom of your Divine Heart.

How to Use These Cards

Use this card deck in any way that feels sacred to you.

Below are some suggestions to begin:

1. Print-at-Home version (see printing instructions below)
2. Digital Reflection version — chose a card daily from your screen, using it as your focus for the day.

Ways to Use These Cards

Begin the Day

Just breathe for a few moments, and relax into the stillness of your heart

When you feel ready in this quiet space of Love, ask:

“What do I need to know today?”

Let your heart guide you to choose your card.

Read it slowly. Let it speak to your heart.

Let the words flow into your heart as the energy of the Seraphim surrounds you.

To Close the Day

Choose a card with gratitude for your day. Let it bless your dreams.

For Deeper Reflection

- Repeat the mantra during moments of pause or challenge.
- Use a card as a journaling prompt or sacred intention.
- Write down the phrase or insight that speaks most deeply to you.
- Place a card on your altar or sacred space
- Read aloud as a spoken blessing before meditation
- Use it as part of your spiritual practice or inner healing work.
- Use either the mantra or the wisdom quote alone — or reflect on them together for a deeper experience.

Let your intuition guide you.

There is no correct or incorrect way to use these cards. They are a gift of Love, to be welcomed with openness, and returned to as often as you need.

How to Print This Deck

This deck is designed as a 4 x 6 inch printable PDF. You can print it at home.

Recommended Printing Instructions:

Print on high-quality card stock or matte photo paper.

Set scaling to 100% or "Actual Size" to ensure correct proportions.

Use a colour printer for the best effect (or greyscale if preferred.)

Optional: Laminate the cards or trim with rounded edges for increased durability.

You might also prefer to keep your deck in a ribbon-tied bundle or place it in a fabric pouch as a sacred tool.

A Closing Note

This card deck is a gift of love — a gentle offering from the Seraphim to you.

Let each card be a gentle flame guiding you back to the Divine Heart.

You are a Beacon of Light.

*You are a blessing that the world
has been waiting for.*
